WORKING IN ITALY

Recruitment Agency SA

VERONA & VENICE

VENICE

- Tourism Hub: Venice is famous for its canals and historic sites, making tourism a major part of its economy. This creates many seasonal job opportunities in hospitality and retail.
- Cultural Events: The city hosts numerous cultural events, such as the Venice Film Festival and the Biennale, which can provide networking opportunities in creative industries.
- Work-Life Balance: The pace of life is slower here, and enjoying leisure time is an important aspect of the local culture.

VERONA

Working in Italy, particularly in cities like Verona and Venice, offers a unique blend of cultural richness and professional opportunities.

Verona

- Cultural Heritage: Known for its well-preserved Roman architecture, including the Arena di Verona, this city is steeped in history and tradition.
- Economy: Verona has a diverse economy with strengths in agriculture, manufacturing, and trade. It's particularly known for its wine production, especially Valpolicella.
- Work Environment: The work culture tends to be formal with a strong emphasis on relationships. Networking is essential, and a good grasp of Italian can be beneficial.
